Why play the lottery to get your Maine Moose Tag? Join us for a once in a lifetime Maine Trophy Bull Moose Hunt at Bull Moose Wilderness Adventures. Buy your hunt and tag from us. Starting in 2019, the State of Maine has issued Lodge tags to qualified Sporting lodges to offer a chance at Maine's most iconic creature. Prior to 2019, the only way to get a tag was to apply for the lottery or through the auction. Lottery odds to get a non-resident permit was 1 in 1,332 applicants in 2018 (less than 1/10th of a percent chance). The permits sold at auction averaged nearly \$17,000 in 2018.

Our fully guided hunt with American Plan accommodations is just \$17,495 plus permit fee of \$1,500. With this opportunity, you can hunt the largest big game animal in North America at a total value far better than a Canadian or Alaskan hunt. We have a great population of trophy bulls and you can start planning your trip today!

Why Bull Moose Wilderness Adventures?

Nothing is more exhilarating than to hear the grunt or raking of trees by an approaching bull moose looking for a fight or a mate. At times it will be hard to hear over the sound of your heartbeat! We customize every hunt based on the situation and hunter's abilities. We design each hunt around "you". We understand how special this is and want to make this experience the best it can be for you.

We are one of the only outfitters to offer one on one calling for trophy bull moose. It may seem or sound easy to call a Bull moose during the rut but there is a lot to it. We use unique set ups in every area we hunt and frequently adjust to wind and weather. We harvest fresh moose rut scents locally and use it exclusively during our hunts. Using real local scents is a staple of our success.

Having the right skills, team and resources are the key to success. These things are what helps set us apart:

- Professional registered Maine guide skilled in packing out, calling, and with a strong passion for moose.
- Scouting cameras strategically placed.
- Mapping technology - we track everything on an electronic mapping system shared and accessed by our whole team.
- Packers and spotters to assist in locating and recovery.
- Scouting network of loggers and foresters that feed information into our team year-round.
- BMWA customized hunts to work with any hunter's capabilities.
- Our hunting techniques are always adapting to the ever-changing landscape and moose.
- Fully licensed and insured.
- State licensed lodging and meals with ServSafe Certified food service manager.
